Profile Summary

- Full-stack developer with a strong focus on front-end technologies and expertise in React.js, creating scalable applications.
- Proven ability to collaborate effectively in team environments, manage time efficiently, and troubleshoot technical challenges
- Expertise in React.js, Node.js, MongoDB, and using Agile methodologies to deliver high-quality projects on time.

Technical Skills

- React JS
- Node JS
- HTML
- CSS
- Bootstrap
- JavaScript
- SQL
- MongoDB
- Python
- Figma
- Express JS
- C++
- Power BI
- Gen AI
- Java

Experience

Perfect Plan B   **3 Months**

Software Engineer Intern

- Provided comprehensive support in solving students' Python-related queries, ensuring clarity and understanding of key programming concepts.
- Developed and implemented innovative projects, leveraging Python to create functional and efficient solutions tailored to real-world applications.
- Collaborated with team members to enhance the overall learning experience for students, contributing to curriculum improvements and project design.

Projects

NXT Trendz - E-Commerce | *HTML, CSS3, React JS , Routing* (Username: rahul, Password: rahul@2021) — View Website

- Developed a secure e-commerce platform using **React.js**, with **JWT token-based** authentication for **protection**.
- Created login, product, and checkout pages, utilizing React components to streamline user interactions.
- Integrated REST API calls to retrieve and display products dynamically, ensuring fast and secure data fetching.

Youtube Clone | *HTML, CSS3, React JS, Node JS, JWT Token, SQL* (Username: rahul, Password: rahul@2021)— *View Website*

- Developed a feature-rich YouTube clone using **React.js**, with **JWT token-based authentication** to ensure secure user sessions.
- Designed and implemented **login, video feed, gaming page and saved videos**, leveraging React components to deliver seamless user experiences.
- Enhanced routing functionality with React Router for smooth transitions between video feeds, watch pages, and playlists.

Education

Narasaraopeta Engineering College   **Expected Graduation: May 2026**

*B.Tech in **ECE***

Extracurricular / Leadership

Teaching Assistant - NxtWave   **April 2024 – Present**

- Mentored **900+** students through coding challenges and project development.
- Created learning materials and **led debugging sessions** for complex issues.
- Recognized as the **First and Top Performer** in the NxtWave Teaching Assistant Challenge.

Certifications

Python – NxtWave – View Credentials
Developing Front-End Apps with React – NxtWave - View Credentials
Developing Back-End Apps with Node.js and Express – NxtWave - View Credentials
